

Kids Birthday Party Ideas

Birthday Party Bingo

Preparation:

- Print off the bingo cards (there are 20 in this package – each guest will need a different card)
- Print off a “master” copy for yourself
- Cut the “master” copy along the individual bingo squares
- Put the cut squares into a hat or bowl
- Use M&M’s or Hershey Kisses for game markers
- Make sure you have prizes to hand out for the winners (in some cases, there MAY be more than one winner for each game. Just make sure you have a few extra prizes on hand just in case)

Instructions:

- Pull one square out and read it out loud to your guests
- If the square says “Party”, all guests will then cover up any square they have on their bingo card that says “Party” with a game marker
- Then draw another square, and repeat the process
- This continues until someone fills in a row (vertically, horizontally or diagonally) and yells “BINGO!”
- The winner gets a prize

You can put your own variation or spin on Bingo – just use your imagination!
